The screenshot displays the HKUMed website interface. At the top left, the logo for HKU Med (LKS Faculty of Medicine, The University of Hong Kong) is visible. The navigation menu at the top right includes 'Home', 'Library Collection', 'Source Management', 'Contact Us', and 'Login'. The 'Library Collection' and 'Login' items are highlighted with dashed yellow boxes and numbered '2' and '1' respectively. The main content area features a large image of a scientist in a lab coat and mask using a microscope. Overlaid on this image is the text 'Empowering Collaborative Research HKUMed' and 'Discover, Share, and Innovate with Centralized Research Data'. Below this text are two buttons: 'Explore Datasets Now' and 'Join the Collaboration'. On the right side, a white login form is shown, titled 'HKU PORTAL'. It includes the HKU logo and name in Chinese and English, an email address input field, a green 'LOG IN' button, and links for 'Forgot your PIN?', 'FAQ', 'CREATE USER ID', and 'SECURITY TIPS'. A yellow callout box with the number '1' points to the login form, containing the text 'Sign into the system with your HKU Portal credentials'. Another yellow callout box with the number '2' points to the 'Library Collection' menu item, containing the text 'Click Library Collection to access the data catalogue'.
